## "FAMILY JEWELRY COLLECTION"

### DESCRIPTIVE BACKGROUND FOR COLORED STONES

---

#### **01 JANUARY = Genuine Garnet**

**CHARACTERISTIC: Loyalty, Faithfulness and Truth**

The Brilliance of the Garnet makes this gemstone a most prized possession. During the 18th Century, Genuine garnets were considered the most treasured Jewel to own, and it was worn by only the most wealthy and influential people. Genuine Garnets are found in Africa, India, and South America.

#### **02 FEBRUARY = Genuine Amethyst**

**CHARACTERISTICS: Sense of Calm and Dependable Nature**

The Genuine Amethyst, because of its beauty, warmth and color, has always been a very desirable gemstone. This gemstone is mined in So. America, Russia and India.

#### **03 MARCH = Genuine Aquamarine**

**CHARACTERISTICS: Elegance and Grace**

The Genuine Aquamarine reminded the Romans of the Mediterranean Sea. Primary sources of Aquamarines are Brazil, Russia and Madagascar.

#### **04 APRIL = Genuine Diamond**

**CHARACTERISTICS: Light and Innocence**

The Genuine Diamond has always been the most treasured jewel known to man. The major sources are South America, Russia, and Brazil.

#### **05 MAY = Genuine Emerald**

**CHARACTERISTICS: Success and Wealth**

The word Emerald is derived from the Sanskrit word meaning the "green of growing things" and people who wore emeralds symbolized a continually growing love. Genuine emeralds are mined primarily in Brazil, Colombia and Africa.

#### **06 JUNE = Genuine Pearl**

**CHARACTERISTICS: Purity**

The Japanese have developed expertise in breeding oysters specifically for producing cultured pearls. Today, pearls are highly desirable for their beautiful luster. Pearls are principally harvested in oysters in the Sea of growing love. Japan

#### **07 JULY = Genuine Ruby**

**CHARACTERISTICS: Perfection**

The Genuine Ruby is considered a highly prized gem of enduring value. Rubies are mined primarily in Burma and Thailand.

#### **08 AUGUST = Genuine Peridot**

**CHARACTERISTICS: Gladness of Heart**

The beauty and brilliance of the Genuine Peridot makes it a treasured possession by all who wear it. Sources are St. John, and small island in the Red Sea.

#### **09 SEPTEMBER = Genuine Sapphire**

**CHARACTERISTICS: Prosperity**

The Genuine Sapphire possesses outstanding beauty and has a noble history. Sapphires have always been highly valued by the Royal Family of Australia, Cambodia and Thailand.

#### **10 OCTOBER = Genuine Opal**

**CHARACTERISTICS: Hope**

It's fiery beauty makes the Genuine Opal one of the most popular gemstones of modern times. Genuine Opals are mined in the Lightning Ridge area of Australia.

#### **11 NOVEMBER = Genuine Citrine**

**CHARACTERISTICS: Cheerfulness**

Genuine Citrine is noted for its delicate transparency. Genuine Citrine is found, almost exclusively, in Brazil, although some mining is done in Madagascar.

#### **12 DECEMBER = Genuine Blue Topaz**

**CHARACTERISTICS: Love and Affection**

The brilliant Blue topaz is a shade found rarely in nature. It is the enduring symbol of love and affection. Blue topaz is found in Brazil, Sri Lanka, Africa and China.
